

6th Annual Range Day

Friday, October 13, 2017

OVERVIEW

The Navy SEAL Foundation New England is a 501(c)(3) non-profit organization that provides immediate and ongoing support and assistance to the Naval Special Warfare community and its families.

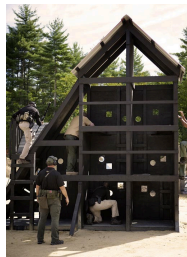

Our annual event is an exceptional day of shooting with former Navy SEALs, including various weapons on multiple ranges at one of the finest shooting facilities in the world, the Sig Sauer academy in Epping, New Hampshire.

Sig Sauer provides the handguns used by SEALs and the Academy trains members of the Special Operations community. Former Navy SEALs will act as instructors and will provide briefings on the culture of the SEAL teams. The day will conclude with a reception, toast, and dinner with guest speakers.

RANGE STATIONS

The 360 Range
Advanced Rifle Instruction
Advanced Pistol
Instruction
Shotgun Course
Automatic Weapons

Sig Sauer Range Day, 2015

Sig Sauer Range Day, 2016

This year, we are excited to bring back many of the great features from previous years, including the pre-event breakfast, range station rotation (including shotgun, automatic weapon and tower stress course stations) and post-event dinner at the Holy Grail restaurant. Once again, we will also host a family-friendly lunch the day after the event (Saturday, October 14) for those who are interested in spending a little time enjoying the beautiful fall foliage in New Hampshire's White Mountains.

We will have hotel rooms available at the Quality Inn in Manchester, NH for the nights of Thursday the 12th and Friday the 13th; participants should email krystamoulton@gmail.com or let their NSFNE point of contact know if they would like to stay in one of these rooms either or both nights (transportation will be provided from the hotel to events).
