THE SITUATION REPORT

JUNE 2018

PROGRAM IMPACT UPDATE

NAVY SEAL FOUNDATION SURVIVOR SUPPORT PROGRAM

The Foundation provides a range of programs and services to those warriors and families who have sustained injuries, illnesses or catastrophic loss during, or because of, their Naval Special Warfare (NSW) service.

When an NSW service member is injured or becomes critically ill, the Navy SEAL Foundation provides financial and logistical support so the service member's focus can be on healing. Additionally, we provide support for the warrior who suffers the loss of a parent or sibling.

For those who have made the ultimate sacrifice, we stand firmly behind their family during this time of crisis. Immediate financial assistance is provided to the surviving family to help cover costs associated with the dignified transfer of remains and memorial services, as well as travel expenses for the immediate and extended family.

Surviving families are provided a variety of vital services to children, spouses, and parents of fallen warriors in their time of need and into the future. NSF provides mortgage and rent assistance, home maintenance programs, financial and grief counseling, legal assistance, respite childcare, and other critical services. Our support continues for these families in the years following their loss through our specialized camps, retreats, and bereavement activities.

Every year in April, NSF sends surviving spouses and caregivers of surviving children our annual Home Care Stipend. This Survivor Support program was created in 2015 to help offset costs associated with the general upkeep of a home. Our Home Care Stipend empowers surviving spouses and caregivers to address home care and maintenance issues with confidence while providing peace of mind.

"When I opened the letter from the Foundation I grabbed my 'to-do' list and looked at it with a new set of eyes filled with enthusiasm instead of dread. While I consider myself pretty handy, I know there are many things that I have no business doing and should not even attempt. Sometimes, it is just another set of hands that is needed, but there are only so many times that you can call on family, friends, and co-workers to ask for help with regular household maintenance issues... Thank you not only for the financial assistance this program offers but also for the independence it provides and the peace of mind knowing that there is an annual stipend set aside to address the concerns of home maintenance issues that cannot be ignored. Thank you for this opportunity!"

PROGRAM IMPACT UPDATE

HONORING OUR WARRIORS, SUPPORTING THEIR FAMILIES

WARRIOR & FAMILY SUPPORT

Ensuring the Naval Special Warfare community and its families have the support they need in times of achievement and adversity is of the utmost importance to the Foundation. Our warrior and family support programs include resiliency and morale-building events, pre- and post-deployment dinners and reintegration events, summer camps for children, command all-calls, graduations, family days, holiday celebrations and much more.

We are thrilled to provide opportunities for NSW Commands and families to come together, learn, grow and become more resilient as a community. This year's **West Coast Signature Spring Fling and Child Appreciation Event** was held in San Diego's Balboa Park. Families enjoyed a lovely picnic on the grounds and were able to visit multiple museums in the park.

"This was such a great event! My family and I enjoyed walking throughout the plethora of museums that were in Balboa Park. We enjoyed family time with one another, and to have a picnic lunch, really made the day. Thanks so much to the SEAL Foundation :). Your events give us an opportunity to see one another outside the work environment where we can meet each other's families and really bond with our own families, too. Thank you!"

-Surviving Spouse

Another facet of our **Warrior & Family Support Programs** is NSF's support of those warriors, families, and caregivers who have sustained a significant injury, have been hospitalized, or who have experienced a death in the family. This past month we provided respite childcare, flights for family members, meal prep, home care, and other services that are essential to families who are going through recovery from illness, injury or loss of a family member.

"Thank you, NSF. You provide phenomenal support! I'm always hesitant to ask for help, but we have many who cannot afford to pay for these out of the ordinary expenses when they arise. We truly appreciate your support."

GRATITUDE

"What a delightful unexpected doorbell-ring today! When I opened the door, there they were--flowers for 'Mother's Day' for me from the Navy SEAL Foundation. Thank you so very much for remembering me this year and honoring my son's memory. The flowers are beautiful and plentiful resulting in a gorgeous bouquet that I arranged in a pitcher from Germany which was one of my son's favorite places where he lived with his family. Your kindness is much appreciated."
