# PROGRAM SUPPORT UPDATES

## WARRIOR AND FAMILY SUPPORT

NSF is pleased to announce an update to our Respite Child Care Program (RCCP)!

NSF currently provides **18 hours of Respite Child Care per month** to active duty NSW families during deployments lasting longer than 90 days. Starting May 1, 2019, we will be adding **9 hours of Respite Child Care per month** for active duty NSW families during the Unit Level Training (ULT) phase of deployment cycles.

NSF conducts a thorough, evidence-informed, data-driven review of our programs each year. We also value and incorporate service members' feedback when making program decisions. During a recent All Spouse Call, spouses shared the continuing need for support during the ULT phase of the deployment cycle. Many feel that the ULT phase can be even more challenging than the actual deployment due to the unpredictable nature of training. **It is our hope that additional Respite Child Care hours will help alleviate stress and create positive outcomes for our NSW families during the deployment cycle.**

## EDUCATIONAL OPPORTUNITIES

### NSF SCHOLARSHIPS UPDATE - ROUND TWO

Mark your calendars for June 3rd, 2019!

The Navy SEAL Foundation's second round of scholarships will open to qualified applicants on **June 3rd, 2019!** For questions about NSF educational opportunities, please contact us at [programs@navySEALfoundation.org](mailto:programs@navySEALfoundation.org)

## ACTIVE DUTY WOUNDED, ILL AND INJURED SUPPORT

This month, NSF supported **61 Wounded, Ill and Injured requests** including several SEALs who were injured during training. One SEAL had to be flown home for surgery and due to the extent of his injuries, needed caregiver support. NSF provided flights, hotel accommodations, and a rental car for the service member's mother so that she could care for her son during his recovery. Another SEAL was severely injured while parachuting and required immediate surgery. NSF provided tragedy assistance funds to the service member and we continue to work with the SOCOM Care Coalition to address any other needs as they arise.

We are honored to assist our NSW service members by providing Wounded, Ill and Injured support, including necessary rehabilitation equipment, veteran medical support for combat sustained injuries, casualty checks, medical board stipends, respite child care, and other financial assistance. For more information about our programs, please visit our website or email us at [info@navySEALfoundation.org](mailto:info@navySEALfoundation.org).

## WARRIOR TRANSITION

The Navy SEAL Foundation held its first **2019 Professional Development and Transition Symposium** on the East Coast on March 27th. The symposium was attended by over 100 transitioning warriors, family members, NSW service providers and transition partners. Our 2019 West Coast event was held on May 30th, in Coronado, California. These symposiums are a resource for all NSW personnel who are within 12 - 18 months of their transition or retirement.

In addition to highlighting a variety of transition organizations, this year's symposiums featured a panel of psychologists, clinicians and executive coaches with the goal of normalizing various aspects of the transition process while helping transitioning NSW personnel and spouses view transition with a positive perspective.
