ABOUT NAVY SEAL FOUNDATION:

Established in 2000, the Navy SEAL Foundation (NSF) is a 501(c)(3) national nonprofit organization that provides a comprehensive set of over 30 essential programs for SEALs, SWCCs, veterans, and their families under five Pillars of Support – Strength, Resilience, Health, Education, and Community. We stand at the forefront of crucial care for this unique community. We are there to help keep our warriors in the fight. We are there to help them transition to successful careers in the civilian sector. We are there to help their families every step of the way. And under the tragic circumstances that a member of NSW does not come home, we are there to assist as well.
