

What We Do

22Mohawks is a 501(c)(3) Veterans Charitable Organization, helping veterans lead themselves to find purpose. They do this by bringing veterans, their families and the community together through social connection, hosting extreme sporting retreats/events with mental health sessions, providing companion dogs through their Pups for Vets Program and teaching Suicide Prevention Classes.

PURPOSE

22Mohawks offers companion dogs to veterans at no cost through their Pups for Vets program. They have partnered with local k9 and dog rescues to save dogs and train them to save vets.

22Mohawks matches veterans with companion dogs to support their mental health journey. Veterans fill out an application and undergo a series of interviews so trained staff can better understand the veteran's needs, family, and personality. When matched with a companion dog, both the veteran and the dog spend many hours at 22mohawks facility to build a bond and receive further, personalized training. The impact of a companion dog has been proven to help prevent veteran suicide.

CONNECTION

22MH's offers a week long Parachute Therapy Retreat and single day Tandem Skydiving Events. The 7 day Airborne Parachute Therapy Retreat brings veterans to Florida to static line parachute while also receiving mental health sessions, group and 1 on 1, suicide prevention classes and participate in mental health studies.

COMMUNITY

22MH's offers QPR Suicide Prevention Training. Our mission is to reduce suicidal ideations and save lives by providing innovative, practical and proven suicide prevention training. The signs of crisis are all around us. We believe that quality education empowers all people, regardless of their background, to make a positive difference to save the life of someone they know.

We look forward to you joining the 22Mohawks Family and being part of the solution to end veteran suicide. Contact Dave and Stacey at www.22mohawks.com to learn more about our programs.
